

Hello,

- K-LOVE serves me, my family, and friends as a resident of the local community by letting us know what events are happening. Which include but not limited to: concerts, bible studies, various church events, and conferences.

- The effect on us if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would very possibly leave some not being able to listen to there favorite radio station.

- I strongly believe that the service provided by K-LOVE is in the public's interest. This radio station is Positive, Encouraging, Clean, and not at all secular and this country needs more of this. Why would anyone want to stop the service that is being provided by K-LOVE? They offer prayer, pastor's onsite to take prayer requests, and K-LOVE won't say no to anyone who needs Jesus Christ as there Lord and personal savior.

Thank you for you time and God Bless. <><
